

Employee Benefits Policy

Company: ABC Technologies Pvt. Ltd.

Policy: Employee Benefits Policy

Effective Date: January 2026

Health Insurance

1. Health Insurance

ABC Technologies provides health insurance coverage to eligible full-time employees as part of its employee benefits program.

Coverage

The company health insurance plan provides financial assistance for eligible medical expenses according to the terms and conditions of the insurance policy.

Employees may receive coverage for:

- Hospitalization expenses
- Certain medical procedures
- Emergency medical treatment
- Eligible diagnostic services
- Other expenses covered under the company's insurance plan

Eligibility

- Full-time employees are eligible for company health insurance after completing the required onboarding formalities.
- Coverage details are provided to employees during onboarding.
- Employees should review the insurance policy documents for specific exclusions and coverage limits.

Using Health Insurance

Employees should contact the HR department or the insurance provider for:

- Insurance cards
- Claim procedures
- Coverage-related questions

- Hospital network information
- Claim status

Employees should keep their insurance documents and identification details secure.

Holidays

2. Company Holidays

Employees receive paid holidays according to the company's annual holiday calendar.

Holiday Policy

- The company publishes the holiday calendar at the beginning of each calendar year.
- The holiday calendar includes national and company-designated holidays.
- Employees should check the official company holiday calendar for exact dates.
- Holidays may differ depending on the employee's work location.
- If a holiday falls during approved leave, leave treatment will follow company policy.

Holiday Calendar

Employees can access the current holiday calendar through the company's employee portal.

Employees should plan vacations and other personal activities by considering the published holiday calendar.

Important

The holiday calendar may be updated by the company when business requirements or official announcements require changes.

Employees should contact HR if they have questions regarding holiday eligibility or holiday schedules.

Reimbursement

3. Employee Reimbursement

The company provides reimbursement for eligible business-related expenses incurred by employees while performing authorized work activities.

Eligible Expenses

Examples may include:

- Approved business travel expenses
- Local transportation expenses
- Accommodation during official business travel
- Meals during eligible business trips
- Approved work-related purchases

Reimbursement Process

Employees must:

1. Keep the original invoice or receipt.
2. Submit the reimbursement request through the employee portal.
3. Select the appropriate expense category.
4. Upload the required receipts or supporting documents.
5. Enter the amount and purpose of the expense.
6. Submit the request for manager approval.
7. Wait for the request to be reviewed and approved.

Important

Expenses must be related to authorized company activities.

Employees should submit reimbursement requests within **30 days** of the expense date.

Expenses without appropriate supporting documentation may not be eligible for reimbursement.

Employee Benefits

4. Employee Benefits

ABC Technologies provides several benefits to support employees' professional and personal well-being.

Major Benefits

Eligible employees may receive:

- Health insurance
- Paid company holidays

- Leave benefits
- Business expense reimbursement
- Learning and development opportunities
- Employee assistance and support programs

Learning and Development

The company may provide employees with opportunities to improve their professional skills through:

- Training programs
- Internal workshops
- Online learning resources
- Technical and professional development sessions

Employees should contact HR or their manager to learn about available training opportunities.

Benefits Information

Employee benefits may depend on employment status, company policy, and eligibility requirements.

Employees should use the official employee portal or contact the HR department for current benefit details.

HR Contact

HR Department: hr@abctech.example

Employees should contact HR when they need clarification about eligibility, benefits, reimbursement, insurance, or holiday policies.
